

Hong Kong Electronics Symposium 2022

From Recovery to Prosperity - Charting the New Path with Innovation and Technology

Date : 25 July 2022 (Monday)
Time : 9:00 am - 5:00 pm
Mode : Online Webinar
Fee : Free of charge
Enrolment Deadline : 11 July, 2022
(on first come first served basis)

Organiser :

Programme Highlights

Hong Kong has faced a lot of challenges since the outbreak of COVID-19 in early 2020. Various technological applications are developed and proved that "Innovation and Technology (I&T)" can help tackle the problem brought about by this pandemic. In this annual flagship event with the theme "From Recovery to Prosperity - Charting the New Path with Innovation and Technology", renowned professionals from the government and industry will present how the latest development and result can achieve towards the theme. Topics cover eHealth, Smart Living, Network Engineering, Artificial Intelligence, Advanced Electronic Material Application, 6G Technology, etc.
